INN AT LAGUNA BEACH

RECREATION & LEISURE

Laguna Beach is a seaside village of 25,000-plus residents ideally located halfway between Los Angeles and San Diego. Featuring seven miles of beautiful Pacific coastline, Laguna offers 30 public beaches and coves, 19 city parks and 17,000 acres of surrounding coastal wilderness. It's an ideal destination for biking, hiking, walking, cycling, kayaking, fishing and bird-watching. From mid-December to early April, beachgoers can spot migrating whales from the shores.

The village's beauty—reminiscent of the Mediterranean coast—inspires hundreds of local working artists. Laguna Beach's quaint downtown abounds with art galleries (more than 60), antique stores, unique shops and restaurants. Cultural events take place all year long, including a monthly Art Walk, the renowned Festival of Arts and Pageant of the Masters, and the events of the Sawdust Arts Festival. Laguna Beach is also home to the Laguna Playhouse (one of the oldest continually operating theaters on the West Coast) and the Laguna Art Museum (a museum of American art with a special focus on the art of California).

In addition to unforgettable natural and cultural attractions, Laguna Beach offers a perfect base from which to explore the endless possibilities of Southern California. Many golf courses, some with spectacular ocean views, are nearby, as are world-renowned theme parks and attractions such as Disneyland, Disney's California Adventure, Knott's Berry Farm, Legoland, San Diego Zoo, SeaWorld, Universal Studios, the historic Queen Mary and so much more.
